

BORDERBUDDY™

● Use quilling paper to create uniform shapes and borders.

■ Interchangeable handle with 3 different shapes!

▲ 34 different shapes and sizes!

Instructions: 1.) Select the shape you want to use (circle, square, or triangle). Insert it into the handle.

2.) Use a permanent marker to label sizes (i.e. A, B, C or 1, 2, 3). This will keep track of the size border used in your pattern.

3.) Wrap a paper strip around the BorderBuddy™. Spread glue at end and wrap to make the first loop.

4.) Continue wrapping until the other end of the paper is reached.

5.) Carefully slide border off the tool.

6.) Hold border between your fingers. Press down on paper's edges to flatten and even edges.

7.) Pull on the paper's end to tighten coil.

8.) Spread glue on the paper's end press it against the border.

NOW IT'S READY TO SHAPE & FILL!

Make a Flower!

1.) Using the round Border Buddy™ and numbered sizes, make five of each border:
